Melton Model Railway Club's Eighth Newsletter!

Congratulations to the Melton Model Railway Club Inc on our first anniversary!

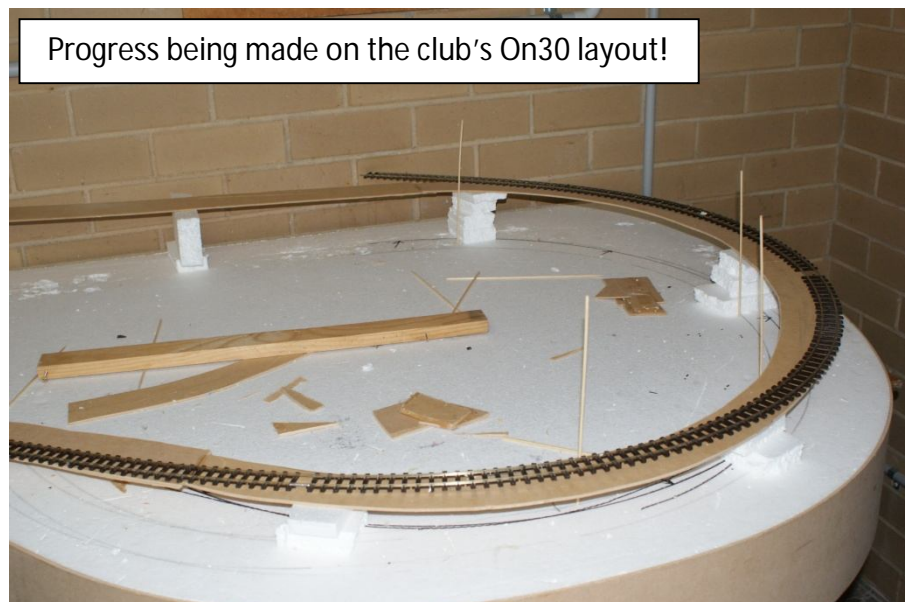

Having started a little over 12 months ago back at Ruby's, the club has certainly grown very quickly, going from strength to strength. We now have our own clubrooms, a healthy membership and a total of 3 layouts, either under construction or waiting to be started.

From here, the club hopes to continue on its way, continuing to grow and prosper, like the club has in its first hectic 12 months!

Adam Weise,

Secretary/Newsletter Editor,
MMRC

Layout Discussions

Discussions regarding layouts, layout news and events.

Progress on The Yard has inched forward, with plenty of work ready to start with the resumption of MMRC activities at the Clubrooms.

The MMRC is also looking to purchase an N Scale layout. Details of the layout are being discussed at Meeting #29 on Saturday, 24th Jan, 2009.

A few pictures are shown here of the layout.

In other layout news, the MMRC is looking ahead to running a Model Railway Show in 2010. More details will be available after our first meeting back for 2009.

A sub-committee will be formed to head up the club's first Model Railway Show in 2010.

Adam Weise,
Secretary, MMRC
